

# Home Town Description Assignment

Using the Five Themes of Geography (location, place, interaction, movement, and region) describe the town where you were born **OR** the town you consider to be your home town. Use the questions and ideas of the Five Themes of Geography to help you discuss the town itself, the people, and the area around the town.

Be as descriptive as possible. Draw pictures to help illustrate your written work. See Mr. Mac if you have questions about the assignment. The assignment does not have to be done in black or blue ink.
